If any of these required items are not available when you submit your registration, please so indicate, however, all of the missing items must be received in the Cincinnati office no later than June 2, 2008. The owner is the only person who may enter *and* represent a car for judging. You will be required to remain with your car on Monday, July 21, 2008, after all Operations Checks are completed, so that you may drive your car into the show hall, for placement in its predetermined spot.

Duntov (1953-74) and McLellan (1975-93) Judging Requirements: With your application and payment, you must include proof that your car has achieved at least a 97.0 Net Score at an NCRS Regional Meet or National Convention and proof that your car has achieved an NCRS Performance Verification® Award, both under your ownership and since January 1, 2005. Liability insurance, ownership, representation, and remaining with your car until it has been placed in the show hall on 7/21/08 are all the same as noted above under Flight Judging® Requirements.

Performance Verification® Requirements: Identical to Flight Judging®. In addition, the car must be licenced for legal street operation and the owner/operator must have a valid drivers license. Liability insurance and proof of vehicle ownership are identical to Flight Judging® above.

Star/Bowtie Judging Requirements: Available at the 2008 Convention for 1953-1984 Corvettes. A completely filled out Star/Bowtie application (available in the *NCRS Judging Reference Manual*) must be included with your entry. Vehicle ownership proof and insurance requirements are identical to those shown in Flight Judging® above. Refer to the *NCRS Judging Reference Manual* for prerequisites.

Crossed Flags Judging Requirements: Available at the 2008 Convention for 1984-1991 Corvettes that have received the McLellan Award. Vehicle ownership proof and insurance requirements are identical to those shown in Flight Judging® above. Refer to the *NCRS Judging Reference Manual* for prerequisites.

Founders Judging® Requirements: Refer to the current *NCRS Judging Reference Manual* for specific requirements. Proof of ownership and liability insurance are identical to the Flight Judging® requirements shown above.

American Heritagesm Judging Requirements: Proof of ownership and liability insurance are identical to Flight Judging® above. Refer to the *NCRS Judging Reference Manual* for prerequisites.

Year of the 1958 Requirements: This display class is open to any and all 1958 Corvettes- restored, unrestored, customized, rolling chassis, or even partially completed. Cars will participate in a parade and will be displayed in a special area. Owners will also receive a special plaque.

Contingency Applications: Those applying for Flight®, Duntov, McLellan, PV®, Heritage or Founders® Judging who have not yet completed the requirements, but intend to do so prior to June 2nd, 2008 may apply on a contingency basis. With your application, include specific information indicating where and when you will be attempting to fulfill your requirements. Priority will be given according to completion date of your requirements.

Judging Confirmation and On-Site Deposit Refunds: All Judging Confirmations will be sent to you only by the National Judging Chairman, separate from Convention Registration confirmation. Judging deposit refunds will be made at the Convention upon confirmation that the owner and the registered car are in place for judging.

Judges: Team Judges will be selected and contacted from among the most experienced available by the Division Team Leaders. Every effort will be made to have the Judging Teams contacted and confirmed by late June.

Observer Judges: Members with little or no experience are strongly encouraged to join in by registering as an Observer Judge. You will not be contacted prior to the Convention and need only to be present as indicated on the schedule.

Members Applying to Enter More than One Car: Use a separate application for each car entered. Your multiple application will be governed by those rules outlined in the *NCRS Judging Reference Manual*.
