Chairman's Message

HoO Chairman's Letter Q1 2023

As I write this and reflect on 2022, most of the country is under a deep winter freeze. The cars are put away, we read car articles, do our winter projects, and await warmer days. I actually enjoy this time of year as I catch up with old friends, enjoy holiday gatherings, and look forward to the new year. 2022 got us back into some semblance of normalcy. Our attendance over the summer and fall showed that everyone was ready to get out and keep our club active and vibrant. Normal events of 12-16 people in attendance were now 20-25 people.

In October, we elected new leadership for the club. Karl Luketic (Maumee, OH) and Mark Hearndon (Waterville, OH) agreed to be co-chairs. Joe Mattingly (North Canton, OH) stepped up and agreed to be the vice-chairman. Mike Treece and Nick Petruzzi will continue to be the judging co-chairs, Terry Buchanan as Secretary, Pete Hagan -Treasurer, Tom Fetchik-Director at Large, and Fred Richards-Newsletter Editor. The Membership Chair is open at this time. As you can see from the cities of Karl, Mark, and Joe, that this will be the first time in a long time that the core leadership is not from central Ohio. Thanks to these gentlemen for stepping up and taking these positions. Also, thanks to Perry and Sue Yasher for hosting the event and providing lunch.

In November, the club met at Matt Lewis's garage in Houston, OH. Matt does car transport and detailing for a living and gave a very informative talk on paint prep. Matt covered products and pads to remove swirl marks and had a demo hood to show various paint correction techniques. In addition, Mike Treece invited Bob Williams from Sidney, Ohio for a presentation on fuel injection units. Bob is a technical expert on the repairs and operation of fuel injection systems

and held some Q&A from the people in attendance. In the afternoon, the club went down to Steve Glaziers shop in Covington, OH. Steve is a pattern maker and is a top restorer of woodies in the country. The club visited Steve a few years ago and enjoyed seeing his shop.

The year ended with our annual Christmas party at Der Dutchman Restaurant in Plain City, OH. The club collected a table full of winter clothes for kids and we enjoyed a nice meal with everyone. Mike Treece got everyone going with a corvette trivia contest. Thanks to those who attended and donated for kids.

If you haven't already done so, please remember to renew your membership for 2023. Check the website for Q1 activities. It's super easy, just put in ncrs/hoo and our website will pop up. Also, commit to bring a friend to an event in 2023.

Thanks is not enough to say as I write my last newsletter... thanks to our membership who supported the club over the last crazy 3 years and thanks to a fun dedicated board of officers who always had the best interest of the club in mind. It's been a great ride!

Wes
