HoO Chairman Letter Q2 2023

As your new leadership, we have taken the reins in some turbulent times. Despite the distraction of the events at the National level, our aim is to maintain the HoO NCRS Chapter's focus at the local level. And to continue putting on the great virtual programs HoO is known for nationally and internationally. Also we will be keeping the Judging meets and Judging schools at the highest performance levels possible. So far this year our esteemed member, Mike Treece, has put on 4 virtual schools through the Ohio and Indiana Chapters.

The events calendar on the HoO website is where you'll want to turn to find Chapter activities. All the favorites are again being held: Bud's, Chapter picnic, Lancaster, holiday party are a few events to look forward to. A Judging Meet with a judging school is on for the end of April, a 3 judging point event. A visit to Michael Capozzio's, in a new location, is planned for June, with a member's car to be judged there.

Come along for the ride and get to know

some great guys and gals. Support your Chapter by participating in these activities. When you do, you will be earning points through the Heart Award Program and become eligible to receive great rewards.

Mark & Karl

Virtual Judging School

Mike Treece, 400 Level Master Judge presented a Virtual Judging Class on Corvette Dashes C-1 thru C-2 on January 14. Mikes presentation contained 190 pictures of detailed information about gauges. There were 132 attendees from Canada and America. Mike is providing a service for NCRS members across the county to obtain information and training that would not be available to them locally.

TURN SIGNAL TILT

Mike Treece, 400 Level Master Judge presented a Virtual Judging Class on Corvette Dashes C-1 thru C-6 on February 18. Mikes presentation contained 460 pictures of detailed information about dashes. About 15% of attendees are 400 master level judges that do not obtain points for attending. Their attendance shows that these judges find the attendance is worth their time.

Florida Regionals— February 23-25, 2023 By: Fred Richards

The Florida Regionals are a great place to be in February. The three days of the meet Florida was having temperatures in the high 80s and sunny.

After flying into Orlando, I made a sunny drive to the Sun n Fun center in Lakeland. I made it just in time to be an observer judge for the C4 operations. It was a very busy time judging six C4s. I worked with George who is the first five star judge. I was very open to teaching the judging methodology.

At the end of the afternoon a session was conducted on Corvette Frames for 1953-1962. The part of the presentation that I found interesting was the descriptions of the RPO options that centered around the brakes. The options were placed in a box in the trunk. It was a dealer installed option. Only a few cars were delivered with the RPO options. The presenters emphasized that the cars were to be judged as delivered by the dealer. I found that statement enlightening

since I had always been told that the judging was to be as delivered from the factory.

The maroon C4 above is a 1989 ZR1. They did not make very many '89 ZR1. Rumors are they made about 90 cars. It is commonly thought that the ZR1s were only made from 1990-1995. On the right is a challenger car. NCRS has a special category for these cars. It was great to review one in person.

I spent the day as an observer judge judging the interiors with Pete a 400 level judge and Joe a master judge. It was a great experience to spend the day with them.

Florida Regionals— February 23-25, 2023 By: Fred Richards

Then on Saturday I was an observer judge for the 1980-1982 interiors. We judged 2 exceptional 1982's. As I am working to prepare my 1978 for NCRS it was a great learning experience to take the time to go through exceptional cars.

The regional was a great experience working with experienced judges in a warm and sunny environment. I was able to be with several of our members for the 3 days. It was great to see other Ohioans at the mee. I soaked up as much sun as I could to keep warm until Ohio warms up. I hope to see other Heart of Ohio members at future events.
