Chairmans Message

December 2023

Greetings Heart of Ohio members,

Now that Christmas is complete and we look forward to the new year we can sit back and review our last quarter of events at Heart of Ohio NCRS.

September took us to Lancaster Ohio for the annual Corvette Gathering. This event is our annual fundraiser. This year LifeCare Alliance – Meals on Wheels will be the recipient of our fundraising doughnut donation. The weather was great this year and many members brought their cars out to be displayed with the hundreds of other Corvettes that were at this event. October took us to Perry Yasher's beautiful garage for our annual members meeting. In November we had the privilege of visiting Dave Kriegel's car collection with our first stop at Crofts custom Car Care Center in Lima. Many beautiful cars were on display at Dave's various locations which we all got to enjoy looking at. Finally, for our final meeting December took us to our annual Christmas dinner at Der Dutchman in Belleville. Coats and clothing items were collected for the underprivileged. As

2023 comes to a close we would like to thank you all for making Heart of Ohio all that it is. We had a great year and look forward to 2024 and all it has to offer to start the year off right master judge Mike Treece will be presenting online judging schools in January and February. April will bring us to our annual chapter meet. So sit down, hold on, and let's move on down the highway into 2024!

Sincerely,

Mark & Karl

Dave Kriegel's Car Collection - November 11

Everyone gathered at Croft's Custom Car Center in Lima. Dave told us about the history of this very unique car after introducing his mechanic, Richard and the folks at Croft's. Dave keeps his collection in several buildings around the area. We were also treated to the collection of of foreign cars at Dave's Son's

After looking at the cars in Croft's shop we got in our cars for a nice drive in the country. Our first stop was a machine shed on the west side of Lima. Richard pulled out several unique cars. The power of the horsepower resonated throughout the building.

The next stop was Dave's son's garage. The garage contained a unique collection of cars. The Porsche on the right used to belong to Nicholas Cage.

Volume 21 Issue 1 Q1

The last stop was on a farm in the area. The three barns on the property were all full of cars. One of the barns had several C1/C2 corvettes. Dave stated that he got started late in collecting Vettes.

The other barn was filled with 60s muscle cars. One of the cars was never titled. It had belonged to a man that in 66 went to Vietnam and did not return before the car could be titled. After the last stop Dave invited us to J's Pub and provided everyone a fantastic lunch. It was a sunny cool day for the tour.

Chapter Holiday Party—Der Dutchman December 9

The annual Christmas party was well attended and enjoyed by all.
