Happy Holidays

It’s that time of year again; I want to wish all the members a happy holidays and a great new year.

Thanks for your support during the past year. We will be having our tech session and judging school at Larry Gerig’s car museum on February 06, 2016. We will offer a tech session on Corvette Glass, and a judging school on 97-99 corvettes.

With our upcoming regional we need to get familiar with the 97-99 models, I understand we will be getting some entries.

We will also discuss plans and scheduling for the regional in April, realizing some of our work for the judging location will start on April 19, 2016. Remember our layout and placement has to be done by the 20th. Place on your calendar for Auburn to start then.

Once again have a great holiday season.
