

Vice Chairman's Report
– Jim Buckley

Dear Fellow club members,

It really is too soon to close up for the Season. Lots of good weather and activities still coming up. Fall can be a great time to just drive and enjoy the ride. Not too hot and still not too cold.

Remember Corvettes are built to drive and enjoy. They aren't just to cover up and look at every so often. Please come out to the Ron Adams event. Bring your car and your best outlook. It will certainly once again prove to be a fantastic day.

Hope everyone had a wonderful summer .

Now onto Fall.

Thank you.

Regards,
Jim Buckley, Vice-chairman

Treasurer's Report
– Mike Streckfus

Here is hoping everyone had a tremendous summer season of fun in the sun with our fantastic plastic toys! I hope 2008 continues to be a bountiful year for all of us. Mason Dixon continues to be one of the strongest Chapters in the NCRS. Our treasury hovers around \$19,000, and to the best of my knowledge I am not under any audit! (VBG)
