

REGIONAL

# *National Corvette Restorers Society*

CINCINNATI, OHIO  
APRIL 11-13, 2019

## ***Dear Sponsor,***

On April 11-13, 2019, the Queen City Chapter of the National Corvette Restorer's Society (NCRS) will hold a Regional Judging Event in Cincinnati, Ohio. Cincinnati has become a destination favored by visitors because of the city's welcoming atmosphere, downtown vibrancy, tourist attractions, and great restaurants.

Support from you and other Corvette enthusiasts is vital in making these events the great times that they are. Contributions received from sponsors like you are being used this year to help defray costs such as: facility rental, security, advertising, and meals for staff who have volunteered their time to judge the vast array of cars entered.

In this brochure is a listing of the various sponsorship opportunities and the benefits you will receive at each level.

Recognition of all sponsor support is given during the event and in written materials provided to each event registrant. Additionally, any sponsor may provide promotional material that will be inserted in each convention registrant's "goodie" bag. We would like to count on your support by having you become a sponsor for the QCNCRS 2019 Regional in Cincinnati, Ohio.

If you have any questions and/or need additional information, please feel free to contact me personally. I may be reached at 513-377-8182 or by email at [toyvett@fuse.net](mailto:toyvett@fuse.net).

Sincerely,

**Tom James**

*Chapter President, Queen City NCRS*
