The 2011 NCRS National Convention in Novi, Michigan was a fantastic time. Our Chapter was well represented as always, with some members even being recognized for awards - that made it even better. Our Chapter Membership booklets are finished and will be distributed at the next several meetings - Thanks to Olivette and Mike Murray for their efforts.

Please keep George and Linda Swartz in your thoughts and prayers; as Linda lost her mother recently.

Minutes July 2011

... Otto G. Takacs Jr.

Our July QCNCRS Meeting was held on July 12, and hosted by Bruce Hauck at his home. One of Bruce's interests is collecting antique tractors and he shared his great collection with us. We were able to look at many

different models and years of tractors and enjoyed some that he started for us. Bruce talked about the history of the tractors including where they were made and what happened to the companies that manufactured them over the years, and also answered any questions the members had as the tractors were shown. Along with a great evening Bruce had a very good dinner for us. Special thanks to Bruce from all of us.

Steve started our meeting by thanking Bruce and welcoming everyone to the meeting. There were no new members at the meeting tonight. Steve talked about past Corvette events that had occurred since our last meeting as well as some up-coming events in our club including our annual Chapter Meet on October 22 at Columbia Chevrolet; our annual Family Chapter Picnic on Sunday, September 25 and our Christmas Dinner on December 17. We will have more on these events at up-coming meetings.

Our new membership directories are ready and are available from Steve at the meetings. Wayne McKee gave the Treasurer's Report and it was accepted by all the members. Wayne went over all the expenses and income we had and answered questions that members had.

John Ballard talked about our Chapter Meet and wants members to register for the event as soon as possible. He also talked about the club hosting a Regional Meet in 2014 and is working on that. There will be more information at our next meeting.

Dale Maris talked about the web site. If members have cars or parts for sale, he will put them on the web site for you. You can talk to Dale at one of our meetings or call him at 513-353-0556.

Joe Eyl is having a tech session on August 13, and one on October 8 at Columbia Chevrolet. Joe will have more about these tech sessions at our next meeting.

Member Death

Long time member, friend and memorable Corvette Racing Star Jack Knab, passed away on 29 July 2011.

2011 NCRS Convention & Road Tour Joe Eyl

This was another terrific year for our chapter of the NCRS at the National Convention. Paul Oslansky received his 300 judging level master judge award. Here is a picture of the shirt and hat which he will wear with pride at future NCRS events.

We have awards for 100, 200, 300, 400 levels which are the number of points you have gained judging. It takes a lot of time and money to collect those points. The knowledge gained from judging is worth all the trouble and expense and it is a lot of fun and you get to know very many people along the way.

Allen King received his master's Red Hat. I think this man looks good in anything, but red is really his color .. don't you think?

Convention News (Continued)

Here is a picture of the hearty QCNCRS folks who made the National Convention & Road Tour for 2011. As you can see, we were really having a great time It is a very memorable experience.

Bruce Hauck Meeting

..... *Joe Eyl*

Bruce has an amazing collection of antique tractors .. I believe he has every size of Oil Pull ever made. We had a great turnout, a terrific tour and another culinary triumph (I like pizza).

Here are a few of the pictures I was able to take and also fit into our newsletter.
