February 2011

Chairman's Message

..... **Steve Hack**

We are officially one month closer to warm weather and how better to celebrate than to pay your Queen City Chapter dues. Remember to fill out the complete form and mail a check for \$20 to Mike Hack; as our membership chair Joe Sieve is recovering from heart surgery. Joe is at home doing well and should be back in the swing of things in no time. Be sure to give him a call and wish him well. Remember, if you attended the Christmas Dinner in December then your dues for 2011 were taken care of by the chapter.

Dale Maris is hosting a technical seminar relating to mid year headlight motor repair on the 12th of February. Be sure to let Joe Eyl or Dale know if you plan on attending. Steve McKay is hosting our February meeting on the 15th, this one sneaks up on us. His company Thompson Equipment and Supply is located at 3249 East Kemper Rd, and they can be reached at 761-7784. Our Treasurer, Wayne, has done a great job creating a budget for 2011, be sure to get a copy at the next meeting. Dale Maris has also formed a 2011 Calendar that is available at our website. If you have any additions to it please contact Dale. We have also been working on our 2011 Chapter Meet, after the 2010 Regional it is sure to be a breeze. Our tentative date is Saturday October 22 at Columbia Chevrolet. More on this at the next meeting.

See you at Steve McKay's shop on the 15th.

Minutes January 2011

Our January QCNCRS Meeting was held on January 18, and hosted by Trim Parts. Trim Parts is a manufacturer of restoration parts for Corvettes and other types of cars. While we were there they gave us a plant tour and showed us how they made parts and the products that they were coming out with. Trim parts has been involved with our club and invited everyone to their open house this summer. Special thanks to Trim Parts for a great evening and the dinner they had for us.

Steve started our meeting by thanking Trim Parts for everything they had done and welcoming everyone to the meeting. Steve talked about our Christmas Dinner and passed out a couple of awards to members who were not able to make the dinner including Gary Conger and Dan Lobaugh who both received perfect attendance awards. Longhorn Steak House in Eastgate was sponsor of the year. Steve Hack, Wayne McKee and Mike Murray personally presented them with the award. The Shriners sent a Christmas card to our club thanking us for the donation that we had made in 2010.

Steve talked about our Swap Meet we are having on March 6, at Columbia Chevrolet. We will be able to start setting up for the meet on Saturday March 5, at 1:00 P.M. If you would like to help with the meet you can call Steve at 513-553-2080 or talk to him at our next meeting. We still have spaces available if you would like to set up at the meet. If you would like to help working at one of the gates please talk to Richard Parsons at our meeting or call him at 513-771-7461. Joe Eyl is in charge of parking; if you would like to help with this you can talk to Joe at our meeting or call him at 513-896-9563.

Joe Sieve is in the hospital and is doing very well and should be able to go home in a couple of days. All of our members were happy to hear that he was doing fine from his operation and our prayers are with him.

Gary Griever was in the hospital for a couple of days for injuries he got when he fell. Gary was at our meeting and talked about his accident and we were glad that he was doing well also.

Wayne McKee gave the Treasurer's Report and it was accepted by all of our members. Wayne went over all of our income and expenses and answered any questions that members had. Wayne also made a preliminary budget for the year 2011 and went over that with everyone.

Joe Sieve is our Membership Chairman and because he is not able to come to the meetings just yet; Mike Hack is taking over for him and collecting membership dues for this year. You can pay Mike at one of our meetings or if you would like to mail your dues to him, his address is 3862 Greenbrook, Amelia, Ohio
