Chairman's Message

..... **Steve Hack**

Word on the internet is that an old chubby bearded guy traded in 12 antique deer for a fleet of ZR1's. I guess if we hear the whistle of a dozen superchargers Christmas Eve we will know the truth! I would like to wish a Merry Christmas and a Happy New Year to all of our great members and their families. We have had a great year, full of fun and successful events, and none of that would have been possible without the close family of friends in our Chapter. Hopefully you did not miss our Chapter Awards Ceremony. In November the board sits down and selects a handful of members that deserve recognition for their part in our club. This year it was more than difficult, as so many have gone above and beyond any expectation. THANK YOU to all for making this year so much fun, and go so smoothly.

If you were unable to attend the Christmas Dinner / Awards Ceremony your Queen City dues for 2011 are due on the first of January. Please fill out the enclosed form and get it in

Our November QCNCRS Meeting was held on November 16, and hosted by Gary Griever at Columbia Chevrolet. Gary did a great job of making all of our members feel welcome at his dealership for the evening. There were a lot of nice Corvettes and other cars to see in his showroom and he had a great dinner for all of us. Gary is our sponsor but he is also a member of our club and a good friend. A special thanks to Gary from all of us for a great evening and for everything he does for us.

Steve started our meeting by thanking Gary and welcoming everyone who came. Steve also welcomed two new members to our club: Tom Kerr and Dave Hoteker.

Steve also talked about up-coming events including the Swap Meet we are having on March 6, 2011. If you would like to help with this event you can talk to Steve at one of our meetings or call him at 513-553-2080. In addition, Steve also talked about the monthly meetings coming up and encouraged members to let him know if they would like to host a meeting in 2011 or know of a place that would be of interest to our members.

We held our annual election however since no members other than the current officers ran for any positions, our board members will remain the same.

A TV will be raffled off at the Swap Meet again this year; if you would like to help sell tickets you can talk to Steve at one of our meetings.

Wayne McKee gave the Treasurer's Report and it was accepted by all the members. Wayne went over all of our expenses and income and answered any questions that members had. Wayne is working on the budget for 2011 and will go over it with the members when he has it ready.

Dale Maris is in charge of our web site and e-mails. If you have any questions or would like to put something on the site, you can talk to him at one of our meetings or call him at 513-353-0556.

John Ballard is planning a paint seminar this year and will share more on this at one of our meetings.

Joe Eyl has organized a tech session to be presented on January 8, 2011 at Columbia Chevrolet. The session will be about the NCRS Discussion Board and will be presented by John Waggoner. The session

Technical Seminar

.... Joe Eyl

This seminar will be presented at Columbia Chevrolet on Saturday January 8, 2011 from 1:00PM to 4:00PM. The subject will be the use of the NCRS discussion board and how to work with it. There is a wealth of knowledge within the NCRS membership and this is a terrific tool to learn and share.

IN MEMORY

Long time member Roger Wehking passed away in early December 2010. He had been fighting a progressive illness for many years. I think we all remember his quick wit and ready smile. He will be missed.

The QCNCRS has ordered a brick to be placed at the Museum in his honor.
