Chairman's Message

..... Steve Hack

Hope all your winter projects are finished because show season is in shape. It's finally time to get the 'Vettes out and enjoy the road once again.

Please remember that May is the last chance to be included in the QCNCRS membership booklet, as they will go to print June 1 (Mike/Olivette Murray Printing company). So, if you haven't sent your \$20 membership dues to Joe Sieve with a renewal form, you could be eliminated from the QCNCRS directory.

June 21st is our annual Steak Cook Out. This cook out is always well attended, but you must reserve your steak by signing up at the May QCNCRS meeting or by calling Mike Murray (513.724.7777) before June 10. Please keep in mind- if you are not a member of the QCNCRS you will need to pay the total cost for this meal.

At this June 21 meeting, we will be giving a presentation to the Shriner's Burns Institute

along with a presentation from the National NCRS for last year's match program. All in all, this dinner will be a great time..don't miss out!!

Our Northern friends at the Heart of Ohio Chapter are hosting their chapter meet Sunday May 15th. The Miami Valley chapter meet is Saturday June 18. Both of these chapters give us a big hand so please try to register for their events, as both are in need of judges.

Registration for the National Meet (in Novi, Michigan) must be in by June 1, this is the closest location for a National that we have seen in a long time.

We hope to see lots of Corvettes at our May meeting (and their owners of course)!

See you on the 17th at Dale and Jeanie Maris' home.

Our April QCNCRS Meeting was held on April 19, hosted by Tom James at his garage. Tom has a great collection of different makes and models of cars that he has acquired over the years, plus Corvettes. Tom talked about his cars and answered any questions that members had. Along with all the cars, Tom had a great meal for us. Special thanks to Tom for a nice evening from all of us.

Steve started our meeting by thanking Tom and welcoming everyone who had come. We had one new member, Herb Woosley.

All of the reports were in and our Swap Meet was a huge success, Steve talked about the club making a charitable donation at this time. Our members decided to donate \$5000.00 to the Shriners' Hospital. We will make a presentation to them at one of our meetings. Steve shared that the Swap Meet next year will be the first Sunday in March. He also

talked about the upcoming annual steak cookout at Mike and Olivet Murray's home for our June Meeting; the cost will be \$10.00 per member.

Our annual club picnic will be on September 25 and will be held at Fernbank Park again. The annual Christmas Dinner will be on Saturday, December 17, at Ashton Oaks Country Club.

Wayne McKee gave the Treasurer's Report and it was accepted by all of our members. Wayne went over all of our expenses and income we had and answered any questions that members had.

Joe Sieve, our membership chairman, announced that he would like all members who have not paid their dues yet to get with him as soon as possible. The dues need to be paid so the new membership directory can be compiled and distributed within the next couple months. If you would like to talk with Joe, his phone number is 513-574-6112.

John Ballard wanted to let members know that the registration form for our Chapter Meet in October is in the Driveline and would like members to register for the event as soon as they can.

Joe Eyl said that the tech session on paint went very well and the next tech session will be on June 4, at Joe Sieve's home, featuring a session about vacuum systems.

Joe Eyl and Jerry Hilbert are planning a Road Tour to the National this year, beginning on July 15. They have some nice places selected to stop at on the way and would like members to talk to them at one of the meetings if they are interested in going on the tour.

Bruce Slattery talked about the recent Swap Meet that we had and about the good feed back from vendors and people who attended the meet.

Our club purchased a projector to help with our Tech Sessions and various events held throughout the year.

Steve asked the members if they would like to do another Regional Meet at McDorman's Chevrolet in three years. He would like everyone to consider it and discuss any questions they may have before the club makes a decision on this.

Our May QCNCRS meeting will be on May 17, at Dale Maris' home. If you have any questions or need directions you can call Dale at 513-353- 0556.

Secretary,
Otto G. Takacs Jr.

Production of the C-6 model continues to be cut back.

Currently 307 Corvettes are being built daily at the Bowling Green Assembly Plant.

On a comparative basis, the production number from January 1 - March 26, 2011 was 2,764 compared to those from January 1 - March 27, 2010 when 4,316 units were built.

The Indiana Playboy

..... Allen King

A lot of you may not know that I am a very avid reader ... I particularly enjoy advertisements and article headlines that somehow do not quite say what was intended.

For example:

- Lawyer says client is not that guilty.

What I would like to know.. just HOW guilty is his client. Are there various grades of guilty?

- Free Yorkshire terrier. 8 years old. Unpleasant little dog.

I am excited, how about you?

- Free: Farm kittens. Ready to eat.

Sounds yummy. Probably means they are weaned. Just makes your mouth water, doesn't it?

- Free Puppies: ½ Cocker spaniel – ½ Sneaky neighbor dog.

Happens in the best neighborhoods.

- Ground beast: 99 cents per pound.

Had any good beast recently. I guess it is an acquired taste.
