November 2011

Chairman's Message

..... Steve Hack

Thank you to everyone who volunteered to help support our great organization at our annual QCNCRS Chapter Meet. It was held at Columbia Chevrolet on Saturday, October 22 and was a great success. We had about 60 registrations. There were seven judged cars and 2 display cars. And of course, the food was excellent!

November is election month. We need a Vice-Chair that will hopefully step up to the Chair position in time. Dave Schwoeppe is stepping down from this position, but will still be active within the club. If you have a desire to be an officer, please call Otto at 937.294.2197.

Saturday December 17 will be our annual Christmas Party/ Awards Banquet at Aston Oaks Country Club. Wayne (our Treasurer) is collecting the \$40/couple or \$20/person. Make sure to get this to Wayne ASAP. If you are a current QCNCRS member, and you pay to come to this event, your 2012 dues will be paid. What a deal!

Our October QCNCRS Meeting was held on October 18, and hosted by George and Linda Swartz at their home. George has a great collection of cars that we were able to look at as well as automobile and gas station memorabilia.

George talked about the cars in his collection and answered questions that members had. George and Linda had a great evening planned for us along with a great dinner, Special thanks to both of them from all the members in our club.

We started our meeting by thanking George and Linda for everything and welcoming everyone who had come for the meeting. We had five guests at our meeting but, no new members.

Our Christmas Dinner is going to be on December 17, and we started to sign up for dinner at our meeting. If you would like to come to the dinner, you can also sign up at the November Meeting. If you cannot make the meeting but would like to come to the dinner, call Steve at 513-553-2080. We will do the same as we did last year, the cost of the dinner will also cover your membership dues for the year 2012.

John Ballard reviewed everything for the

Chapter Meet coming up on October 22, answered any last minute questions from members and took registration forms that members had not turned in.

Joe Eyl said the tech session held on October 8, went very well and was well attended. Joe will have more on up-coming tech sessions at our next meeting.

Wayne McKee gave the Treasurer's Report and it was accepted by all the members. Wayne went over all the expenses and income that we had and answered any questions that members had.

Gary Griever brought a new Chevrolet Volt to our meeting for all the members to look at. He also brought a representative from General Motors with him and they explained everything about the car and answered any questions that members had. Special thanks to Gary.

Our next QCNCRS Meeting will be held at Columbia Chevrolet on November 15. If you need directions or have any questions you can call Steve at 513-553-2080.

Tech Session: Judging

..... Joe Eyl

We had a terrific turnout with great results. Here is a picture of our graduates. The quality of the questions asked at this session showed the high degree of interest our group has in excellence.

George Swartz October Meeting

..... Joe Eyl

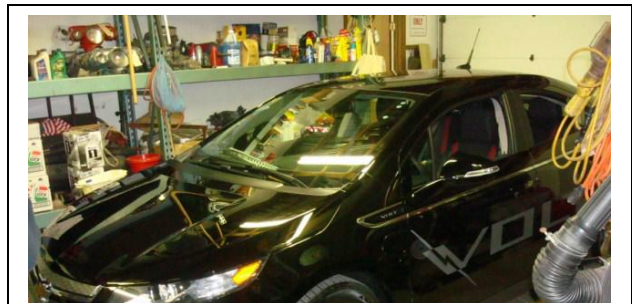

We had a terrific time at George's shop. What an outstanding meeting. Here are some pictures. Some very notable firsts occurred .. note in the first picture that John Ballard did not get to the front of the line.

Another first, Joe Sieve discovers the dessert table. Have you ever seen such a look of wonder?

Gary Griever and Dave (GM Zone Sales) brought a new Volt to the meeting.

Swartz Meeting Pictures (cont)

..... Joe Eyl

As everyone can see from the following picture we are a very technically oriented club. Ignore the guys eating .. I am referring to the interesting inventory on the shelves.
