Minutes September 2011

... Otto G. Takacs Jr.

Our September QCNCRS Meeting was held on September 11, and hosted by Barb and Jerry Hilbert at their home. Jerry's garage worked well for the meeting site plus there was a lot of space outside for us to see cars driven by the members as well as see Jerry's cars.

It was a good time for all of the members to catch up with each other and see what all they were doing with their cars. Along with a nice evening Barb and Jerry had a great dinner for us. Special thanks to Barb and Jerry for all that they did for our club.

Steve started our meeting by thanking Barb and Jerry and welcoming everyone to the

meeting. We did not have any new members at our meeting this time. Steve told everyone that Rod Russell had a heart attack but that he was doing well; all the members look forward to seeing him soon.

Steve thanked Greg, who is a salesman where we purchased the TV we are raffling, for helping us to get what we needed at a good cost for the club. The TV will be raffled off at our Swap Meet; if you would to help sell raffle tickets you can talk to Steve at one of our meetings.

Vanessa from the Shriners' Hospital was at our meeting and she presented our club with an award for appreciation for all that we have done for them.

Steve let everyone know that our annual club picnic for next year will be at Fernbank Park again and will be held on September 23, 2012.

Our annual Christmas Dinner this year will be on December 17, 2011 from 5:00P.M to 9:00 P.M at Ashton Oaks Country Club. We will have more on the Christmas party at upcoming meetings.

If you would like to help volunteer bringing pop to our meetings you can talk to Steve and let him know when you can help with this.

If you would like to host a meeting during January, February or March of next year or have any ideas of interesting places you think our club would like to go you can talk to Steve at one of our meetings or call him at 513-553-2080.

If you do not have one of our new membership directories yet you can get one from Steve at our meetings.

Jerry and Barb Hilbert were given a gift from members of our club for organizing the road tour to the National Meet this year. Wayne McKee gave our Treasurer's Report

September 2011 Meeting: Jerry Hilbert's Home and Shop

..... Joe Eyl

The meeting went well and we had a lot of things to talk about and get going. We were awarded a plaque by the Shriner's hospital for our donation and was given to us by Vanessa Nicely. In the picture is Gary Grever, Vanessa Nicely, Jerry Hilbert and Greg Hopkins who gets us the TV to raffle.

The road tour participants also presented Jerry & Barb Hilbert with shirts and gas card for there part in making the road tour happen.

John Ballard somehow got to be first at sampling Jerry & Barb's excellent feast. We guess it is his natural leadership talent.

As always we had a great turnout and a lot of Corvettes ... notice the upgraded hood on the 1962.

Yes .. We Attended Indy..

..... Dale Maris

Just to prove that we attended Indy this year. That's my brother in the Tony Nancy car now owned by John Neas. We just got it out of the trailer and are getting it placed where they showed the Cacklefest cars behind the spectators stands. I am just standing there for to add some good looks to the picture. Here is a link to some history of this car:
