**Chairman's Report**  
By Rick Reiff

## The restomod market is taking hold more than in the past.

Spring is here and before long we'll be driving our Corvettes more and enjoying the great weather the state of Colorado has to offer. In March we had an RMC Board of Directors meeting to take care of Chapter business prior to the interesting

Technical Session on the Concours judging category that the NCRS recently added. Our Judging Chairman, Ralph Ridge, presented an overview of the new judging class and brought his pristine '61 restomod to provide an example of what type of cars will be entered for this type judging. I'm excited to see what this new class brings as it allows for innovation, customization, and craftsmanship freedom that the other classes don't offer. The restomod market is taking hold more than in the past and I'm sure we'll see some great cars in this category (hopefully in our 2020 Regional). Thanks Ralph, for the insight you provided regarding this new NCRS judging class.

One of the items the RMC BoD is discussing is the updating of the Chapter Bylaws. We want to update the bylaws to bring them in line with current technology (example, notification of meetings) and how we conduct Chapter business. I hope to get the bylaw revisions completed in the next month or two.

April marks the month we have our annual meeting to elect RMC BoD members. This year the Vice Chairman, Treasurer, Activities, Judging, and Merchandise positions are up for election. The term for these BoD members will start on January 1, 2020 and run through December 31, 2021. We'll send out the ballot prior to the annual meeting that you can print and mail, email a scanned copy, or vote during the annual meeting that takes place on April 20, 2019. So

Scotchman Tribute p. 4

keep an eye out for the ballot. I want to thank you in advance for voting and/or attending the annual meeting.

2020 Regional Update –Tom Hosea and I are ramping up the coordination of for the 2020 Regional and will be reaching out to Chapter members to help as we put together the various committees. The success of the Regional is dependent on the contribution of not just a couple of the Chapter members, but all Chapter members. We have been successful in the past due to the effort of the Chapter membership and we'll need that to happen again if we want to be successful and proud of a great event. Have a great spring and I hope to see you at the annual meeting.

Rick Reiff  
Chairman

## RMC once again achieved NCRS Top Flight status for 2018

We have started the year with the following new members: Michael (Mac) McNulty (????), Roland Tomsick (2003), and Frank Marasa (1971 & 2007). Please extend a welcome to these new members at a future meeting. With these new members, our current membership is at 116 members. **REMINDER**, you must be a current member of National NCRS to be a member of RMC.

Membership Report  
by Steve Beatty

A member's NCRS membership expiration date can be found on the mailing label of the Driveline/Restorer. The NCRS has the capability to track RMC current year memberships +2 years, which currently is through the year 2021.

Chapter notices are generally sent out via email using the addresses contained on the National NCRS member email database. Accordingly, please make sure your National NCRS profile email address is always up to date to avoid missing Chapter news. Here is a link to your member profile: <https://www.ncrs.org/forums/register/change-address.php>

RMC once again achieved NCRS Top Flight status for 2018. A special thanks to all of the members whose contributions and efforts made it possible for the Chapter to continue its tradition of earning this award. We are also on a good start to earn a Top Flight Award in 2019 thanks to the planned activities for this year.

RMC Chapter membership directories are now available upon request by emailing me at [stingraycpa@hotmail.com](mailto:stingraycpa@hotmail.com). Please keep in mind that the list is confidential and is not to be shared with non-members.

Steve Beatty  
Membership Manager

Activities  
by Jeff Roth

## In January we enjoyed the annual Holiday Party at Maggiano's.

Spring is finally here! We aren't done with snow, but at least the end is in sight. I am tired of plowing the snow at my place and Diane is tired of shoveling. Here's the activities run-down so far in 2019.

In January we enjoyed the annual Holiday Party at Maggiano's. About 60 people attended and everyone had a great time. Many members commented that it was a nice change to have food brought to the tables family style instead of going through a buffet line. The food was delicious and take-home boxes were scooped up at the door. This venue was so terrific that we are going there again for the 2020 party.

The topic in February was paint. Gary Steffens' paint guy (sorry to not remember his name) talked about the proper way to paint our prized Corvettes. He gave us some tips on touching up road rash. He also addressed how to buff out the swirls and scratches.

At March's tech session Ralph Ridge taught a judging school on concours judging. We learned that much of it is based on appearance and not nearly as technical as the flight judging. Plus, there are multiple categories to cover all of the restomod cars. The common thread is that the vehicle has to start out as a Corvette.

In April we have our annual members meeting starting at 11 a.m. at Corvette City. We will be voting on Board members whose terms are up in January. Our annual swap meet will follow. This year following the swap meet we will hold an auction of tools, hardware and other stuff from a past member, Bill Pearson. If you have anything you would like to donation to the auction please bring it to the meeting. Proceeds from the auction go to general fund.

**The Scotchman Motor Restaurant was the place to see and be seen from the mid 50's to 1975.**

“Once again Looking Glass Corvette Association is hosting the annual Scotchman Tribute all Corvette Show this July. Last year the RMC had over 20 gorgeous Corvettes with Looking Glass Corvette Association later mentioning to John Marsico and at their monthly meeting that the RMC cars were the hit of the show. The event is open to all Corvette owners and is a mere \$10.00 registration fee. For those people who are not from the Denver area, The Scotchman Motor Restaurant was the place to see and be seen from the mid-1950s until the Scotchman’s closure in 1975. This really was the teenage hangout back in the day. To help with a mental image, think Mel’s Diner in California, or the hangout in American Graffiti. The restaurant was located on North Federal Blvd between 47th and 48th Avenues on the East side of the street. Today, a Wendy’s burger restaurant occupies the space. The Scotchman building was torn down after it closed to make way for the Wendy’s.

The show will be held on Sunday, July 28, 2019 beginning at 10:00 am and ending at 2:00 pm. The location is in Wheat Ridge at Anderson Park, just a half block South of 44th Ave. on Field Street. The show is basically an event with the goal of encouraging Corvette owners to gather, admire the cars and get to know each other. Each participant will receive a dash plaque and goody bag. In addition, trophies will be awarded based on street appeal, quality of workmanship and attention to detail. Our own John Marsico will be the D.J. playing top forty oldies rock n’ roll. A food truck for those desiring a breakfast snack or lunch for those not interested in bringing a picnic lunch. Registration is easy, just complete the bottom portion of the registration flyer found on page 6 and mail to the address listed. If additional flyers are needed, send John Marsico an email at [jmarsico@centurylink.net](mailto:jmarsico@centurylink.net). If you have additional questions, please do not hesitate to contact, John Marsico, 303-421-6973, or send him an email.”

Editor's Corner  
by Dennis Dalton

There has been a lot more activity in the FOR SALE department, so I had to give it more space than the back of the newsletter. We will see how it develops and I may devote a whole page to this in the future with larger pictures. As in the past, these ads run for 2 issues or 6 months, as we publish this newsletter quarterly, that translates to 2 issues. This can be cancelled earlier with a quick email to me and extended in the same manner.

I date the insertion so you have a reference as to how old the ad is.

Personal ADs for sale or looking for parts or services are free to members. Commercial Ads have a modest annual fee dependant on size. These rates are in the back of the newsletter in our boilerplate insertion next to the board contact information.

As of the last board meeting, I will be taking over the web site duties from Jack Humphrey. We are currently working on the transition process and both of us are currently listed as administrators for the time being, until I have a grasp of the situation. Thanks to Jack for that.

Dennis

For Sale 4/19

For Sale - 1972 Corvette coupe - Original 350 CID, Automatic, PS, AC, Excellent chrome, New tires, exhaust, suspension, Frame restored, otherwise original, Elkhart Green, Black leather interior, Owned since 1979, \$18,000, Call Joe - 303-791-2961 (home), 303-483-5167 (cell), [maryandjoe@mac.com](mailto:maryandjoe@mac.com)

Thanks,  
Glenn Reiff #7704  
(970) 846-6801

### Looking for a Car 4/19

this is Peter Guntermann, NCRS member #63597. I'm writing to you as I hope you can help me with my search for my next Corvette. I want to add a 1970 BB convertible to my collection.

Presently I own  
- 67 L79 Coupe 2 Top Flights 1 of 34 built with L79, K19, C60, M20 and N40  
- 71 454 convertible only ever in Germany by NCRS judged Corvette, done by the dutch chapter in 2018 (2nd Flight)  
- 72 SB Coupe with DUNTOV award and less than 33k miles (page 205 "Corvette Sports Car Superstar")  
- 82 Coupe with Bloomington Gold (less than 19k miles) my "daily driver"  
Now I am looking for a  
1970 454 Convertible (might consider LT-1) in mint to excellent condition must have are  
- 4speed  
- power steering  
- power brakes  
TOP Flight and known history would be phantastic

**Ralph Ridge**  
Judging Chair

## There have been several new judging manuals released recently.

At our March 23<sup>rd</sup> chapter meeting, I held a judging school outlining the policies and procedures involved in the new Concours judging division. The most important take away of this school is that the car has to have started life as a Corvette. This new division opens the judging door for all of those cars that won't judge well in the flight judging category, but are great looking/driving Corvettes.

On May 19<sup>th</sup> we will be holding our annual chapter judging meet at Medved Chevrolet in Wheat Ridge. If you signed up for the meet last November, you are signed up for this meet in May. If you were signed up for the November meet, and can't make the May meet, I need to know so I can assign someone else to your judging position. If you weren't signed up for the November meet, and want to participate in the May meet, the online registration is open.

There have been several new judging manuals released recently, notably the 58-60, the 70-72 and the 73-74. All of the new manuals include pictures in color and are very comprehensive. They cost a little more, but contain a lot more information. If you own a car manufactured during one of those years, I suggest you should consider obtaining one of those manuals.

One of the board positions open at our annual meeting in April is my position as Judging Chairman. Since I will be busy with the judging at our regional next year, I have decided not to run for our chapter judging chairman position for the next two years, beginning 1/1/2020. If you would like to have your name on the ballot for this position, contact Rick Reiff.

See you at Medved in May.  
Ralph

Membership in the NCRS is open to persons interested in the restoration, preservation and history of the Corvette produced by the Chevrolet Motor Division of General Motors Corporation from 1953 through 1996. NCRS is not affiliated with Chevrolet or General Motors.

Membership in the Rocky Mountain Chapter of the NCRS is open to all members of the NCRS National organization. Dues are \$30.00 for the first year, and are \$20.00 per year for renewal. First year dues entitle the new member to a Chapter ball cap and membership nametag.

Advertising in the Rocky Mountain Chapter Newsletter is free to all active members, for all Corvette related items or Corvettes for sale. Commercial advertising rates for the Newsletter are \$15.00 for a business card, \$25.00 for a ¼ page, \$40.00 for a ½ page and \$60.00 for a full page. All rates are quoted for 4 issues or one-year printing. Contact the editor for further information. All editorial material can be sent to the editor.

NCRS registered marks used in this publication are: NCRS Founders Award □, NCRS Master Judge Award □, NCRS Performance Verification Award □, NCRS Flight Award □, The NCRS American Heritage Award and NCRS Sportsman Award □, and are registered with the United States Department of Commerce and Trademark Office.
