## Chairman's Message

Well, Happy New Year, what a warm welcome to start off the winter months

In early January the Board met to hash out our focus for this years scheduling. The board talked about a number of items. The first being the Heart of Ohio Calendar that was created with local and national NCRS important dates marked on the Calendar. Might I remind you that the pictures on the calendar are from members that had submitted their photos back in late November. If you would like a Heart of Ohio Chapter calendar just let me know. I will be submitting an order for the first batch this February 1st.

The second order of business was our local chapter meet and its tie to the Bob McDorman Chevrolet, Corvette & Chevy show. The Board felt that because of our lock on the calendar with the Bob McDorman show, this caused the Heart of Ohio to lose Chapter participation. The September 9th date last year was only a week between the NCRS Regional meet and our local chapter's meet. The September date and any other summer date just makes the Heart of Ohio local Chapter

Meet just another car show amongst a thousand other summer car shows.

So, in order to avoid car show conflicts, the Board voted to move the Heart of Ohio Chapter meet to October and either coincide with the Corvette Alliance Gathering show or create our local chapter meet later in the fall when most car shows are not competing for participants.

Please note, The Heart of Ohio Chapter will not abandon the Bob McDorman Chevrolet, Corvette & Chevy show. In fact the Heart of Ohio Chapter will still honor the show by putting on a Heart of Ohio Chapter car show and recruiting effort. Further details will follow as the Board finalizes refinements.

The Sunday of January 29th the Corvette Alliance group will

meet in Lancaster to discuss the Gathering for this coming year's event. A few of the board members and I will attend the meeting to inform and discuss the Heart of Ohio Chapter intentions for the upcoming season.

The Board's third discussion topic turned to the Heart of Ohio Chapter clothing. The clothing was assign to a sub committee to make the decisions necessary to achieve results. The subcommittee, since hand has elected to work with the Lands End group and obtain sample clothing for us to review. Once the subcommittee has determined the clothing selection, the general membership will be given the opportunity to place orders.

The final order of discussion pertained to was membership renewals. Last year the Heart of Ohio Chapter sent out invoices and the turn out was well accepted. This year I elected to put out the notice via the Chapter Newsletter but, this did not return as good results as expected. So, for those that have not renewed your dues the Heart of Ohio Chapter will be mailing out invoices to remind those that do not read the newsletter in its entirety.
