Chairman's Message

Wow, the weather has turned **HOT** all of a sudden! Hope you are staying cool in these last few days of May.

Well, the busy season has begun. With all the proms, graduations, car shows and the many wonderful fun filled summer activities and festivals. It's a wonder anyone finds time for a NCRS event! To tell you the truth, the Heart of Ohio Chapter NCRS looked ahead to this time many months ago and decided that there were too many activities in June to plan any time for Heart of Ohio Chapter meetings. And here is why.

To kick off the Month of June is the Michigan Chapter Meet, June 2 & 3rd. The following weekend is the St. Louis Regional Chapter Meet, June 8th thru the 10th. June 10th is also the Dayton Chapter Meet, for those that just rather do a local Chapter Meet rather than drive to St. Louis. Sunday June 11th is the Cincinnati Chapter meeting, Pittsburgh Chapter meeting and the Corvettes at Roscoe Village Show. These are a bit closer to home and well worth nice summers drive to any one of them. June 16th thru the 18th is the famous Bloomington Gold Show in St. Charles Illinois, a suburb of Chicago. Then at the end of June, the 23rd thru the 25th, is the all GM car show at Carlisle. Also, there are any number of other local car shows that beckon the car enthusiast.

The Bloomington Gold show will be well attended by our members. Randy Rink, Perry Yasher, Herb Harlton and myself, are all planning on making the trek to support our member and friend Randy Rink. You are all welcome to join up with us or maybe we will see you out there. Randy is "Going for the Gold", Bloomington Gold Award. Go Randy!

Do not forget that coming up on **July 9th** is the **Heart of Ohio Chapter Picnic and Membership Drive**. We would like all of you to attend and also invite your friends that may be interested in joining HoO or the NCRS or just have the Corvette passion. Everyone is welcome to join us for some Corvette small talk, food, fun and getting acquainted. The Picnic will again be held at Perry and Sue Yasher's home, just east of Pataskala.

Our small band of Corvette enthusiasts would also like to show you our fun and hard winter's work at Perry's garage. Our small band of Corvette guys – better known as the Chevrolet Racing Team, consisting of Randy Rink, Perry Yasher, Herb Harlton and myself – tore apart Perry's 67' Corvette and put it back together again. The task was to take out the high lift, drag strip racing cam and install the 350 hp high performance L79 cam. In the process we did a number of other items to restore the Corvette to factory appearance. If you ask anyone of us about the most enjoyable, friendship building time, you will most likely get an ear full.

Next year I think will be attacking my 65' Corvette. The focus will be removing the heads and having them machined to apply hardened valve seats. This will allow me to run non-leaded gas in the engine. In the process we will probably make some other well-deserved upgrades as well.

Come Join us, we all learn through the experience!
Save the Wave!
