Chairman's Message

Well, the weather has finally turned to spring with the floral trees in full blossom, the grass as green as an Irish clover and sunny days becoming more abundant. It is that time of the year when the days get so nice it makes you appreciate the change from cold to warm spring days. The warm spring days should give you the urge to bring out those Vettes or prep them for this season of NCRS shows. Now is the time to start your engines and give your Corvettes a bath as a spring wake up call.

For April you should be aware that there are two regional NCRS judging meets the first is the Las Vegas, Western Regional. The second is in the latter part of the month, Carolinas' Regional the Lowes' Motor Speedway in Charlotte, North Carolina. Details can be found in the driveline or at Carolinas Chapter web site
<http://www.ncrscarolinaschapter.org/>

If you are still in the hunt for parts and you missed the Cincinnati auction then here is your chance. Michigan chapter is having their Annual Indoor Swap Meet at Cauley Chevrolet in West Bloomfield, MI. Details can be found on the National NCRS web site or Michigan Chapter website <http://www.michiganncrs.org/>

As I mention in the last Heart of Ohio Chapter NCRS newsletter, I will be conducting an engine-timing seminar for those that are interested. I will be sending out a notice in the first parts of April asking for an RSVP. The engine-timing seminar will be held at Perry Yasher's garage in Pataskala.

Please send a message to Herb Harlton the Chapter's Newsletter editor of what articles or

seminars you would like to have or read about to assist you in your project. Or maybe you would like a hands-on assistance with your problem(s)? We have a very great crew that can tackle most issues. Just sent and e-mail to anyone of the Board Members and we will be glad to get you the help you need.

First Owner Search On My 1965 Corvette

(This request was submitted by a fellow NCRS member)

I am a NCRS member up in Canada. I really need the help of your club newsletter to help me determine the name of the first owner of my 1965 Corvette Coupe. The car is vin#194375S112826 red exterior red interior 365hp motor 4 speed tinted windows radio 4:11 rear gears.

The car was owned by a person who lived in Louisville Kentucky general area and was drag raced successfully at Beech Bend Drag strip in

Bowling Green KY in the years 1965 to 1969 in stock configuration The car was traded in at V.V.Cooke Chevrolet in Louisville KY in 1969

The second owner was Donnie Gardner who worked at V.V.Cooke Chevrolet. Donnie Gardner cannot remember the name of the prior owner. Kentucky records no longer go back that far . The salesman who sold the person the car was a Turk Champion who I have been unable to locate. The V.V.Cooke dealership ceased to exist many years ago.

The Corvette was delivered in March 1965 as a new car to Edgewater Chevrolet formerly located in Cleveland, Ohio. I do not know whether the first owner moved to Kentucky or V.V.Cooke Chevrolet dealer traded the Corvette with Edgewater. Ohio state records do not go back into the early years.

Please help me I think one of your club members is the only way I will ever find out the first owners name. If there is anyone else you suggest I contact please advise

People can phone me collect or e-mail me
