### Chairman's Message

The Month June is the most often filled with activities from car shows, NCRS judging meets, festivals, vacations, graduations and family get-togethers. Deciding which has precedence boils down to how happy you wish to keep your home life. For me, the choice is home happiness over my interests. Those that have had college graduates can relate to my predicament. But for others, I must live vicariously to satisfy both home life and personal interests. So, if I see you at meets and car shows, I am probably not suppose to be there, please don't tell anyone, it just might get back to who knows.

This brings to the point of one of the events I wish to go to but home precedence would sway me otherwise. The event I speak about is a tour through a private museum that Queen City NCRS Chapter had arranged for June 2nd. The tour involved a bus trip to Ray Skillman's home in Indianapolis, with a side shopping tour for the ladies. Ray's collection, as I am told, rivals Jay Leno's garage. The fact is that Ray also has a team of workers employed just to restore his collection of cars from Corvettes to antiques. The event, I have been informed has been canceled which is great for me and others since the timing was not right. The tour will be reschedule in late summer/early fall of which I hope you and I can take advantage of at a less congested time.

I spoke with Pam Van Kirk this past month. Pam had to cancel the auction that she had scheduled due to uncertain buyers. But, for days afterwards buyers keep calling to place their offers with Pam. Even Pro Team came out reviewed the car, took pictures and made an offer. Pam finally

made an agreement with George Schwartz, a friend of Joe Eyl's. The price was more than the appraised value of \$35,000.00. If you were

interested the 1957 Roadster is history. However, Pam is still on the search for parts that Stew had sent out for restoration. If you have any ideas as to Stew's contacts please call Pam Van Kirk.

As a follow up to the seminar on "How to Degree a Cam", I have been asked that when I am ready if I could give a seminar on "Timing and Carburetor tuning". Please look toward the August or September for such a seminar.

Please join me in welcoming several new Members to the Heart of Ohio Chapter-NCRS, Kirk McHugh, Steve Hack and Mike Hack. Steve Hack and Mike Hack are owner and son of Eastern Corvettes. Steve and Mike as you know have been NCRS presenters at both our local judging and at the Ohio regional meets. Welcome, New Comers and if you have suggestions for what you would like to see please contact Herb Harlton.

Please send a message to Herb Harlton the Chapter's Newsletter editor of what articles or
