Chairman's Message

Greetings to all...

It seems like spring has arrived before I was ready once again. Lou and I have conducted several Busted Knuckle garage dates and had a good time working on our cars and spending time with friends. There is no better way in my opinion to spend a Saturday than with cars and good friends. Special thanks to Mike Treece who has attended most of the garage dates and helped out tremendously. When the cars roll out they will have restored gauges along with many other bits and pieces. My goal this year is to work on running up the odometer and installing some patina...

We will be conducting a Judging School and Technical Seminar at my shop at 9:00am on May 2nd where we will go over the how to of restoring a C2 dash along with a video and some hands on interior judging. There will also be a lunch paid for by the club. Hopefully you can make it out. By the way, did I mention there will be free food!

We have a chapter meet planned on August 15th at Dave Borrer's place in Dublin. If you did not attend this event last year be sure to attend this year. The setting is beautiful with many trees to shade the judging area and Dave has a fantastic collection of cars.

We also have a picnic scheduled for September 27th at my place which always seems to draw a good crowd. If there is anything you would like to do as a group let one of us know at hoomembers@heartofohio-ncrs.org and we will try to put something together.

I am planning on visiting the Good Guys show July 10th – 12th, the Vintage Races at Mid Ohio

From the (Temporary) Newsletter Editor

After a 15-month absence I have once again taken over editing our Newsletter until someone can be found to do the job. If you are the least bit interested please give me a call at 614/847-0774 to discuss it. The only required skill is to be reasonably comfortable using Microsoft Word.

For the time being, I am going to publish the newsletter on a quarterly basis with emailed editions on April 1st, July 1st, October 1st and January 1st. The goal of the Newsletter will be to keep you informed about the Club's activities and, as time goes on, I hope to expand it with additional content.

However, to do this I am going to need your help!

Please feel free to email me anything you find or know of that might be of interest to the group. I will gladly include it. Also, if you have something to sell send that information along to me.

Even better if you want to write an article about anything Corvette related I would love to publish it. Topics could include a road trip, a project you completed, a tip, a vendor you had a good experience with, and so on. Also, if you took pictures please send a few along.

Thanks in advance for any support you can give me.
