President's Message

Many thanks go out to those that worked behind the scenes to make this another successful judging meet.

I would like to thank the ladies that were sequestered behind doors, the unsung ladies that tabulated the score sheets. Our tabulators were Sue Yasher, Mary Carol Eyl and Marilyn Heitzman. Many thanks to our Judging Co-chairman, Mike Treece who works vigorously to prepare our judging meet and other chapter events resources. Thanks to the other judging Co-chairman, Roger Zrimsek who takes care of the online registration and national meet recordings. Also, thanks to Terry Buchanan, Eric Sponseller, and Perry Yasher for assistance in registration along with a hand from Tom Fetchik. And, lastly a special thanks to Steven Stephenson for judging school instructor at the chapter meet.

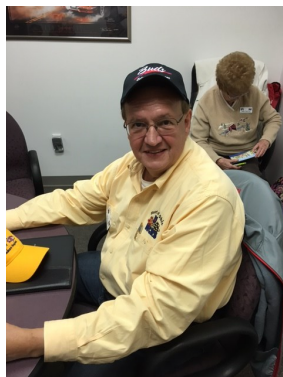

Many Thanks to those volunteering judges that Participate to the judging meet that join in the judging without their assistance we could not make a successful event. And, thank you Charles Henry, William Emery, Butch Price, John Milligan, Paul Hinnman, Dustin Richards,

Spence Brady, Rick Hendrick, Robert Blowers, Carl Stiefel, and Eric Patty for submitting your cars to be flight judged.

Our Charity event of Make a Wish Foundation was once again held at the Lennox Center where we joined in with Cars and Coffee cruise in. The premise of the Cars and Coffee group is not specific of any make and model but, an eclectic collection of various cars, car ages, and owners. Cars and Coffee is just a variation of car lovers where we set up a tent to provided free Buckeye Donuts with suggestion to donate to the Make a Wish Foundation.

A good numbers of chapter members join in to provide support. An interesting turn in of modern day evolution was the closing of Cup of Joes coffee shop. Talk was that the building owner raised the rent and given the renters a week notice to comply. Also Johnny Rockets has closed as well and word is that the theater will be closing as well. Our chapter charity event was able to raise over \$500.00 dollars in support for Make A Wish. Thanks to all who attended and supported our cause.

Hope to see many of you at our next event which is our annual Picnic. This year it will be held at

Summer is upon us as the heat is on full blast.

Since our last newsletter we have had two Heart of Ohio Chapter events. First being our seasonal event, known as our Chapter Judging Meet, the second our Charity event sponsoring Make a Wish Foundation.

Our Chapter meet turned into a very successful event this year. The Chapter Meet was held indoors again at Nelson Auto Group in Marysville, OH. We must thank Nelson Auto Group for providing our chapter with a fine facility and exquisite cars in there show room as well.

Heart of Ohio Chapter featured eleven cars judged with nine I believe were from our chapter members. All judged cars received top flight awards.

April- Chapter Judging Meet at Nelson Automotive-Marysville, OH

The HoO Chapter judging meet was held in April in Marysville, OH. Co –Chairs Mike Treece and Roger Zrimsek (pictured above) did a fantastic job on planning and running the event.

Chapter Members Joe Eyl and Terry Keating judging a C1. Mike Treece with the flashlight checking out a C3.

Nelson Automotive provides a perfect venue as the meet is inside and plenty of room to judge the cars. Thanks to Nelson for the hospitality!

11 cars were judged to be Top Flight. Congrats to all the participants. AND many thanks to Sue Yasher, Mary Carol Eyl, and Marilyn Heitzman, who tabulated results. We couldn't do it without you!

Steve Steffensen, master judge, conducted a judging session after the meet. Thanks Steve!

Carl Stiefel (L), from Aliquippa, PA accepting his top flight award for his 1966 Convertible. Membership Chair, Butch Price, from New Baltimore, OH accepting his Top Flight from Mike Treece on his 1967 Coupe. Congrats to all the Top Flight Recipients.

June- HoO Charity Event at Cars & Coffee

Volume 14, Issue 3 Q3

Our annual charity event was held at Lennox Plaza in Columbus. The Chapter held this event last year by supplying donuts at the Cars and Coffee event that is held each Saturday morning. Approximately 100 cars of all types show up in the parking lot to talk cars, look at various makes and models.

The Chapter sets up a tent and raises money for The Make A Wish Foundation. Make A Wish is a great organization that helps families taking care of kids with terrible illnesses like cancer.

The Chapter raised \$633 in donations at the event and the Chapter kicked in another \$500 for a total donation of \$1133.

Thanks for the guys who helped set up, donuts, and making the event a great success.
