Chairman's Message

Chairman's Letter – 6/28/2021

Seems like Q2 has come roaring back. Like the movie, Fast and Furious, the Heart of Ohio had a lot of events going on over the last couple of months.

Still under covid restrictions, our spring mini judging meet in April was an overwhelming success. We had 2- 1964's and 2 -1978 Pace Cars to judge. We had great support of 23 members from the club and a few NCRS members from outside the club to help judge. From registration to the awards, the entire meet was a success due to the planning and execution by our judging Co-Chairs; Nick Petruzzi and Mike Treece. All 4 cars received top flight on judging. Feedback from the owners is that the Heart of Ohio Team was professional and courteous on handling all the judging aspects. CN Motors is a great spot to hold the meet and with 13 2019 ZR1's for sale it provides some nice eye candy during the event. A big thanks to Sue Yasher, Mary Carol Eyl, and KIM Santaniello for being our tabulators for scoring. Mike and Nick are planning a fall meet up in the Cleveland area with the same small format. If

you are looking to get your car judged, please contact Mike or Nick.

Mike Treece continued his virtual tech sessions in April on Glove Box Contents Part II on C3's and C5's. Mike puts in a ton of work for this content and he had over 115 people across the country attend the virtual session. Due to Mike's work in this area, we have lobbied the National to recognize these permanently as an acceptable way to get your judging points.

For May, the chapter took a nice trip over to Bud's Chevrolet in St. Mary's, Ohio. We had a table set up and handed out the

new toolbox magnets that Nick Petruzzi had made up for the club with our logo and web address. It was a blustery day, but 15 members made the trip with some spirited driving over to Bud's on Rte 33. The parking lot was almost full when we got there. My estimate is that there was over 350 Corvettes at Bud's.

In June, we met at Corvette Care in Hilliard, OH. Ryan Srajblan, the owner was a great host and we enjoyed learning about his shop and the services he provides. He was working on restorations for C2-C5's. Ryan spoke about creating a great experience for the customer and growing his business that he had bought from the previous owner. We had 23 members attend and enjoyed pizza for lunch.

The HoO board voted Recreation Unlimited this year as our charity to support. Recreation Unlimited is a camp for kids with disabilities. Recreation Unlimited currently serves disability groups from 57 counties in Ohio and five surrounding states. For more information: www.recreationunlimited.org. We are looking to have a fundraiser in September at the Corvette Gathering in Lancaster, Ohio on Sunday, September 12, 2021.

Our road tour is coming up on July 25th, starting in Upper Sandusky. Check your emails for start times. Check the website and schedule for upcoming summer events.

Have a greatly summer. I look forward to seeing you at an event.
