Chairman's Message

Chairman's Letter – 9/28/2021

We just hit the first day of fall and the temperatures went from 90F to 60F in 2 days. Summer for the HoO chapter was busy and life loosened up a little with the pandemic on the sideline vs. being front and center.

The summer started with a road tour in Upper Sandusky in July. Seven members toured 3 covered bridges in the area and a stop at Indian Mill that has history back to 1861. Final stop was lunch at Pettibone's in Waldo.

We held our annual picnic at Mt. Gilead's state park in August. Mike Treece reserved an ideal shelter with plenty of cover and parking. 12 Members brought lot of items to share and Rick Pfeifer brought freshly picked corn in a roaster for everyone. Beautiful summer day and everyone enjoyed the park.

In September, we were invited by member Duff Parsons to participate in the Lancaster Gathering, a corvette only car show in downtown Lancaster, OH. It's a great event and we used the opportunity to raise money for our charity, Recreation Unlimited, a camp for disabled children. We were greet-

ed by a beautiful day and like in the past gave out 10 dozen donuts for a charity donation. Happy to report we collected \$300 dollars for charity. There was 465 corvettes at this event with every generation represented. Thanks to Duff Parsons for rolling out the red carpet for us and putting us out front and center.

We just finished our second chapter meet for the year. These smaller meets have been really successful for the club. We limit the cars and correspondingly need fewer judges which are always in short supply. The club met up a Classic Corvette Restorations in Newbury, OH owned by member Michael Cappozzio. Three cars were flight judged: 2-1958's and 1-1962 and all made top flight. Congrats to Chuck Lewis (1962), Ken Gra-

Board Reports

ham (Blue-1958), and Mike Cioffi (white-1958). A big club thank you to Michael Capozio for his hospitality, providing lunch, and being a great host. 17 members supported the meet and got great feedback from the owners on their thoroughness and professionalism.

Annual elections are coming up in October. We are always looking for members to step up and help keep the club together. Let club secretary Terry Buchanan know if you are interested in running.

Wes

HoO Road Tour 2021

Volume 18 Issue 4 Q4

Once again, Mike Treece didn't disappoint with this year's Road Tour. We began with seven Corvettes and two steel cars and left the parking lot at the appointed time to begin our adventure. We drove through three covered bridges, the Parker, built in 1873, the Swartz, built in 1879, and the Kings Mill, built in 2016. We also took in a scenic view at Indian River Mill. We also passed a buffalo / long horn steer farm, but most of us didn't see any, though one driver did see a glimpse of one. To get to all these sights, we were on some awesome "Corvette" roads, twisty and turny, and through gorgeous farm land. Was an awesome drive in the country for sure. We wound up at Pettibone Bar & Grill in Waldo for lunch, though encountered a slight glitch there – great place to eat, their specialty is fried bologna sandwiches, which most ordered. All in all, was an awesome day. Great tour with great friends and great food. Thanks, Mike, for a great time and a job well done!!!

Picnic—August 22nd Mt. Gilead State Park

Volume 18 Issue 4 Q4

Mike Treece found and set up a nice picnic shelter in Mt. Gilead State Part for Heart of Ohio's annual summer picnic. The club provided hamburgers, hot dogs, and brats while members each brought a dish to share. 12 members enjoyed catching up with each other and exploring the park. The picnic was a great way to enjoy the day and get the cars out for a drive. Thanks to Mike for setting up the event (and cooking!) and all the members who made it out.

Ohio Corvette Club Alliance Show —Lancaster Gathering—September 12th

Volume 18 Issue 4 Q4

A beautiful day greeted the HoO Chapter and over 400 Corvette's from around the region. Heart of Ohio member Duff Parsons is the meet director and does a fantastic job of putting on one of the best car shows in Ohio.

The Chapter used this event as our charity fund raiser. Our charity this year was for Recreation Unlimited in Delaware, OH. Recreation Unlimited is non profit camp for kids with disabilities. The Chapter handed out donuts for a donation. We collected \$300 dollars for charity. 17 members enjoyed the day and we even got a team photo!

Ohio Corvette Club Alliance Show Thank You! —Lancaster Gathering—September 12th

Volume 18 Issue 4 Q4

The Ohio Corvette Club Alliance would like to extend our most grateful appreciation to the members

of the NCRS-HOO Chapter that attended the All Corvette Gathering in Lancaster on 9-12-21.

Your display and donut offering was greatly appreciated. (next year we'll buy coffee)

If you decide that the opportunity is worth it to the chosen charity, next year, we'll make your position more prominent.

Thanks to those members that brought their cars and staged in the HOO parking area. Another nice display that proved that NCRS is not just about old cars.

Again, many thanks for your contribution to the Show.
