Chairman's Message

Chairman's Letter – 12/28/2021

Christmas 2021 has passed with a rainy and 60 degree closure. As I reflect on 2021 it was a mixed bag. Nice that the economy and places started returning to normal, but sad that the pandemic is still very relevant and present in our lives. Like most of us, this summer we returned to some normalcy with car shows and enjoying summer trips. Our chapter enjoyed a great showing at the Lancaster Reunion with over 460 cars. The face mask stayed in the glove box and life felt normal again.

In October, the club met up in Richard Crary's garage in Bucyrus. Richard is always a great host and has a very nice collection of cars to view and get tested on. One of the items brought forward was our chapter meet registration fees being too low as compared to Bloomington Gold judging. The board reviewed this topic, and looked at comparative rates by other chapters as well as regionals. I think we came up with a win-win:

Chapter dues to remain at \$20 per year.

Chapter car judging to increase from \$40 to \$60 for flight judging.

Concours judging to remain at \$40 to encourage participation.

Judging registration will drop from \$35 to \$20 to

again encourage participation.

Additionally, we held our elections. Nick Petruzzi agreed to become the Vice President and remain judging co-chair. Randy Early is taking over the membership chair duties. Thanks to Dino and Butch for their past efforts and to Nick and Randy for stepping into these roles.

Our goal is to always fill out judging slots for cars, have enough judges for the meet, and lastly to have a great experience for the car owners and judges. Financially, we are in good shape with the chapter meets and dues providing for our expenses and the HoO participation program.

Mike Treece set up a nice event in the Air Force Museum in Dayton in November. This year as part of Veteran's week celebration, some of the pilots that actually flew the planes were in attendance and spoke of their experiences. Tru-

Board Reports

ly came away feeling honored how these men and women represent our country.

In December, we enjoyed our annual holiday Christmas gathering at Der Dutchman in Bellville, OH. The restaurant was packed and it was great to see and visit with our members from across the state. This year, instead of toys, we asked members to bring kids clothes for donations. I left with a trunk full of clothes for donation. A heartfelt thanks for donating to kids in need. We also had a sign (thanks Nick Petruzzi) for Mike Treece for all his efforts over the years in the club.

In 2022, Mike Treece is already setting up new places to go and locking in dates for our 2 chapter meets. At the end of April, Mike will be hosting a regional meet near our backyard in Auburn, IN. Like any meet, he will need volunteers to help support the meet. Reach out to Mike and let him know if you can help.

I'm looking forward to a great 2022. Check out the calendar of events at www.ncrs.org/hoo

Chapter Meet October 16— Richard Crary's Garage

Visit National Museum of the US Air Force— November 13, 2021

The timing to visit the museum could not be better. The visit was for the Saturday after Veteran's Day was perfect timing. The museum was filled with veterans that were part of the history that filled the museum. There were men available to tell stories about the planes they flew in Vietnam or had their finger on the button to launch the rockets in the museum. Thanks go to Mike Treece for arrange the time at the museum. If you have never visited the museum then you owe it to yourself to take the time to visit one of the top jewels of Ohio.

After the tour many ended up enjoying more time together at Marion's Piazza. The highest rated pizza in the Dayton area.

Visit National Museum of the US Air Force— November 13, 2021
