## Chairman's Message

### HoO Chairman's Letter-Q3

Hello summer! After a crazy wet spring, summer and car season are finally in force. It's great to see members and friends at local shows and catch up on current events. Seeing a new C8 go down the road and the demand tells me the car hobby is still going stronger than ever.

We had a full roster of events in the spring for the HoO chapter. Several HoO members made it up to Auburn, IN for the regional in April. I had never participated in the regional but was impressed with the quality and diversity of cars. Nick and I helped with registration, while Fred was busy directing and parking cars. Pulling it all together and directing the meet was Mike Treece and Rick Coker. I really came away impressed with the quality of the judges. Nick and I counted 80 400+ level judges! These guys really know their stuff. It made me wonder if the HoO could ever pull off a regional...just sayin'.

Later in April was our Chapter Meet at CN Motors. We judged 5 cars and had a great lunch. Everyone came prepared and the judges got great feedback on their knowledge and professionalism. Thanks to Nick Petrucci and Mike Treece for all the work on registration and setting up the meet. We had 27 members judge and help with the meet.

### Chapter Results

Benson Ross – 63 2<sup>nd</sup> Flight  
 Kerry Hamilton-79 Top Flight  
 Richard Crary – Top Flight  
 John Bedell – 62 Top Flight  
 Scott Enterpreis – 61 2<sup>nd</sup> Flight

Also, thanks to our tabulators who decipher all the judging numbers: Mary Carol Eyl, Marilyn Heitzman, Cheryl Miller,

and Renee Carpenter-Wells.

In May, the club met at Bud's Chevrolet for their large Corvette gathering. Like many typical spring days in Ohio, weather was blustery and a forecast of rain. Eight members made it over to Bud's for the show.

In June, Mike set up a nice outing at the Whitewater Valley Railroad in Connersville, Indiana. I heard the weather was fantastic, but maybe due to the distance, it was not well attended.

Check out the website for upcoming summer events:

Road Tour on 7/10 in Hocking Hills, Picnic in St. Mary's on 8/14, and Lancaster Gathering (Charity Event) on 9/10. Go to [www.ncrs.org/hoo/events](http://www.ncrs.org/hoo/events) for more information. Attending these events are the social aspect of the club, great friends that drive great cars!

Bring a friend to an event. Talk to an owner at a cruise in. Safe Travels!

Wes

## C&N Motors Club Judging Meet — April 2, 2022

Volume 22 Issue 3 Q3

C & N Motors was once again gracious enough to host our Judging Meet for 2022. 22 members were in attendance along with five cars joined us for the judging. Not only did we have 5 great cars to judge, but C & N had several great cars on the floor. You never have a great judging meet without the tabulators. They finalized the scores for all the cars and ensured that the judges filled all forms as required. Lunch was Rooster's. We had chicken, fried mozzarella and salad. Wes's wife served all day. Thanks are given to Mike Treece and Nick Petruzzi for putting on another great meet and learning experience.

## NCRS Indiana Regionals — April 28-30, 2022

Volume 22 Issue 3 Q3

The Indiana Regionals were held in Auburn Indiana inside the Hangar at the Kruse Plaza. The Kruse Plaza is huge with many interesting vehicles from the auction house. The plaza had the gas station setup below for a back drop for the 61 cars participating in the event.

Several members from HoO went to the event to help out the Indiana Chapter put on this great event.

With 81 400 level judges present from all over the country, there were great opportunities to be an observation judge to learn more about the cars.

Also available were seminars to obtain hands on experience about judging. There was also a technical session on the development of the C6 judging guide.

If you have not attended a regional it will be worth your time to find a regional next year to experience the opportunity to learn from the experienced judges. With the regional in Pittsburgh and Nationals in Indiana the opportunities could not be closer.

## Indy 500 Parade — May 28, 2022

Volume 22 Issue 3 Q3

After 3 years of hiatus the Indy 500 Parade was held again this year. The Parade is the 3rd largest in the country. The streets were crowded with over 200,000 in attendance. People with Indy 500 Pace Car owners are recruited to transport celebrities in the parade. The group of cars consisted of 23 Camaros and Corvettes along with 2 SSRs. The group gathered in a warehouse parking lot south of downtown. At the designated time the group was lead through the streets with a motorcycle escort that stopped traffic. Once downtown the cars were staged for out celebrities to be escorted to each of our cars. When the time approached we moved out in order through the downtown route. It is exciting to see all the people downtown just waiting to be able to again enjoy the hopefully again annual parade that will jazz
