Chairman's Message

Greetings,

The car show season is in full swing and everyone is finally out enjoying their cars. Winter is a great time to work on them and improve them but there is nothing like firing them up and getting some seat time in a classic. Dave Wills hosted our May judging school at his immaculate shop in Cambridge. If you weren't there you missed out on a great event. Dave is the original owner of his 69 and it currently is in the process of a detailed frame off restoration. Thanks to Dave and his wife for their hospitality and some great food. On June 7th we had a technical session and removed the body of Dino Lanao's C1. It appeared to be well attended and I am sure everyone learned from the experience. On June 14th we had a tour of the Auburn Cord Duesenberg Museum in Auburn Indiana. I did not attend but I am sure it was another great Event.

The next event is the July 19th road tour to the Champaign Aviation Museum.

The Lake Erie Chapter meet is August 10th and I am sure they can ease judges. August 15th 16th is the Woodward Dream Cruise and August 17th is the Heart of Ohio Charity Car Show at Wings and Rings 6325 E. Broad Street. September 7th is the annual Chapter picnic at Butch Price's home in Baltimore.

A big thanks to Mike Treece for putting together all the events this year.

Hope to see you all at a future event and don't forget to drive a Corvette!

Message from the NCRS Regional Office

To All Members and Chapters in Region II

As many of you may know as of July 1st 2014 I was asked by Marilyn Heitzman to replace her as Region II Representative which I accepted. Dick Capello and the Board of Directors approved me as her replacement till the end of her current term. Marilyn has moved on to the Camaro

/Nova/Chevelle Document Administrator. I wish Marilyn well in her new job and just hope that I can fill her shoes as her replacement. During her tenure she performed many jobs and tasks for all NCRS members. We all owe her our thanks and gratitude of going above and beyond for all of us. This is my first job in the NCRS representing other members so it may take some time to get my legs under me. Many of you may know me from the judging field as one of "those" judges. A job that I will still be doing sorry.

As your representative, my job as I see it, is to reflect the members and Chapters in the region. With that said if there are any ideas, wishes, comments, needs etc. please let me know ASAP. At the end of the NCRS National's Friday the 18th I will be attending my first Board of Directors meeting. This will allow me to raise anything that any of the regions members feel needs to be addressed to the Board of Directors.

Thank You

Paul Oslansky

National Corvette Museum Update

The Editor stopped to check out the damage to the museum in early June. Several of the cars that fell to the floor are on display.

The museum is open to the public.

June Judging School –Member Dino Lanno’s 61 Body Removal

HoO members were onsite at Dino Lanno’s in Heath, Ohio to give a helping hand (literally). Dino needed several hands (and backs) to assist with a body lift off the frame.

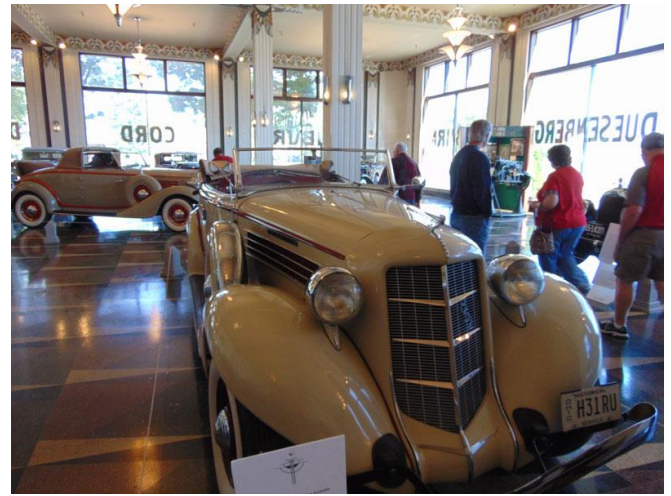

More pictures at www.NCRS.org/hoo. Thanks to all that attended.

ACD Museum Tour-June

Event master Mike Treece scheduled a tour of the Auburn Cord Duesenberg Museum in Auburn, IN. If you haven’t been, the ACD museum is considered a top 10 destination site for car aficionado’s! Musuem pays homage to over 100 cars produced in Indiana.

Attendee’s from the HoO Chapter included Steve Steffensen and his wife, Eric Sponseller and Mike Treece. Tim Hull from Indiana Chapter joined the group.

Meet Musings- Richard Lomax, Judging Co-Chair

It is finally summer. We should all be out driving our Corvettes and enjoying the great weather and fun car events. There is plenty to select from down on the Heart of Ohio judging field. Thanks to everyone who helped out with our very successful Chapter meet this past April.

Upcoming this summer are a number of local, regional and national events. Our National meet is July 13-17 in Overland Park Kansas. Our chapter will be receiving another Top Flight Chapter Award and individual awards are expected as well (cars, judges, and who knows what else). Looking forward to judging and seeing some great cars and friends out there. Following the Nationals, Indiana has their chapter meet in Auburn (August 8-9), following immediately by the Lake Erie chapter meet (August 10). The Northwest Regional is in

Tacoma (Aug 28-30), followed by the New England Regional in Marlborough MA (Sept 25-28), and then the Queen City Chapter meet (Oct 11) and the Texas Regional in Frisco (Oct 23-25). So there are lots of opportunities to get out there for judging fun and frivolity. Elsewhere in this newsletter you will see news about other chapter events (the picnic is high on my list).

Hope to see you on the judging field and keep the glassy side up.

Treasurer's Report – Eric Sponseller

This year, our chapter has brought in \$718.39 from membership dues minus Paypal fee and \$1,680 from our chapter meet registration. We spent \$720.71 on food, supplies, and awards for the chapter judging meet and \$600 on trophies and DJ for this year's car show, which was offset by a \$350 donation for the car show from Buffalo Wings & Rings.
