APRIL 2013

GENERAL MEMBERSHIP MEETINGS:

NOTICE: The upcoming general membership meetings for April and May **will NOT** be held on the second Tuesday of the month as the Judging School of April 6 and the Regional Judging Meet of May 11 will be considered the monthly meetings. Information on both of these events can be found below.

Judging School:

A judging school will be held April 6th, 2013 at 9:00 am until approximately 12 pm at Voss Chevrolet Collision Center. Donuts and coffee will be served. One judging point will be awarded to all who attend. This event is geared to those who are new to the judging process as well as those who do not judge on a regular basis that would like to brush up on their skill level. The format will be question and answer as we view NCRS Judging Video 'Judging 101' and focus primarily on the 'Judging Matrix' video. This discusses the methods of working through the scoring sheets as you are judging. We will have several Master Level Judges to answer questions.

Seasoned judges are encouraged to attend as we certainly welcome and need your input in our discussions. We hope you will make every effort to attend.
