**BOARD MEMBER'S REPORT**

**President's Comments**—Our March events are in the rearview mirror (or camera depending on your generation of Corvette) and what a month it was! As a recap of the events:

At our March 4th meeting, we had a great discussion around the early '53 Corvettes after watching a video of Corey Peterson explaining why he thinks he has located and purchased VIN 001. After the video and discussion, we all gathered around Dale Scott's unrestored '53 in the parking lot. What an amazing car and a rare treat!! Thank you Dale!

The story on VIN 001 continues, as we all know it will. Corey Peterson released another video on March 7 to further build his case around car #1. To counter Corey's claim, Ken Kayser, a long time GM engineer and expert on the 1953 Corvette, has come forward to re-state his opinion that car #1 and car #2 were burned by GM. If you are on the chapter email distribution, you should have received a link to a Zoom meeting on March 28 to hear what Ken has to say. Stay tuned for more discussions on this topic!

Our second event of March was a judging school at John Neas' garage on March 4. Big thanks to John for the use of his place and to Gene Holtz on leading us through the judging school. It was a good refresher for our experienced judges and a great introduction to those of us that are new to judging (like Travis Firey and I).

March 18th brought some chilly weather and our Garage Condos of Tulsa tour. We had a great turnout despite the cold weather! I'd like to thank Mike Smith for opening of his garage and for cooking pizza for everyone. I'd also like to thank Pat McMichael for opening up his garage and giving lots of people a good spot to warm up. Thanks to Kelly Bolton and new NCRS member Mark Wakefield for opening up their garages and sharing their cool spaces with the chapter members and our guests. You may have missed the signup sheet. If you were there and didn't sign in, please send an email to Travis, Firey, Phil Gray, or I.

In addition to these events, we had our first monthly luncheon on March 9th at Fish Daddy's and our Attitude Adjustment night at Bravo's on March 21. You should be receiving this newsletter on the same day as the Attitude Adjustment night on March 28th.

April is a big month for the club as well and I'm looking forward to seeing everyone at the April 1st meeting at Ollie's. At our

*(Continued on page 2)*

meeting, will dive into the April 29th judging event in Stillwater and walk through online registration for it. After the meeting, I will be leading a caravan to Enid to attend the Corvette Expo. If you are unable to attend the April meeting, but still want to register for the April 29th judging event, please reach out to Gene or I to help you get registered.

**NCRS Oklahoma Chapter President**  
**Rob Wilson (NCRS #48348)**

**Membership Chairman's Comments**—Our current membership roster sits at 79 members with 61 of those having paid their 2023 dues. We are currently at a 77% renewal rate. I will be accepting your 2023 dues at the March 2023 meetings or by mail.

### Judging Chairman's Comments

**OKLAHOMA CHAPTER SPRING JUDGING MEET**  
**SATURDAY APRIL 29th, 2023**

Our chapter spring judging meet will be held at Larry Witt's building located at 4100 W. Lakeview in Stillwater, OK. I set it up this year in a central location between Tulsa, OKC and Wichita for easy access for our members throughout the region. So far I have 3 Corvettes to Flight Judge 1958, 1965 and 1975 with registration ending on April 10th, we will be setting up the judging floor inside on Friday afternoon the 28th to be ready for cold starts on Saturday.

The OKC area will be going to Stillwater as a group on Saturday morning April 29th. If you want to join us we will meet at On-Cue located at 5251 E. Waterloo Rd. Edmond ( I-35 and Waterloo Rd. in north Edmond). Leaving a 7:30 AM for our drive to Stillwater. Contact me with any questions. Rob Wilson will coordinate the Tulsa members and Rick Smiley will coordinate the Wichita members that want to attend.

On arrival we will have donuts and drinks to get ready for our day. The schedule will be as follows

9:00 judging school followed by judges meeting and owners meeting

10:00 Flight Judging on all classes

12:00 Pizza Lunch will be provided

Operations Test will be performed outside after all other judging has been completed.

Award presentation at approximately 3:00 after tabulation is finished.

Thank you to all who have already registered. If you have not done so you please sign up at NCRS.ORG by April 10th, so I will know what year and section you want to judge. There is no cost to judge with us at this event as we want all members to get involved and learn more about our cars. If your schedule changes and you can come and have not registered please come and we will find a spot for you. I expect a good turnout with registrants from Kansas, Arkansas and Oklahoma but more judges make the day go by better.

See you in Stillwater
