Chairman's Letter

Autumn, a favored season by many. The store shelves are filled with every conceivable form of pumpkin spice concoctions. The colors are eye popping. Farmers markets are filled with this year's bountiful crop of vegetables and fruits. The nights are cool and crisp and the AC can be turned off and the windows opened. It is a wonderful time of year. It also signals the end of another summer car show, cruising season. A bitter sweet time for us car lovers. That time of year when the Sta-Bil goes in the tank, the battery minder goes on, and our pride and joy Corvettes take a break for the winter.

This year we got a bit of a late start with our traditional car show cruising season, as the weather was not very cooperative this spring. It seemed as though every weekend had rain. The delayed start of the car season meant that we had to pack a lot into our third quarter. We had members take part in Layton's Sounds of Freedom car show, and on the same day Dave Kindig, of TV (and car fame) had a car show which drew some of our members.

As a club we supported the Eaglewood Festival of Speed car show in Bountiful. The Eaglewood show was on July 2nd this year, and the weather was perfect for that day. It was cooler than most second of July days, and the weather proved to be just delightful. The event drew a lot of cars and spectators, with over 670 vehicles at the site, food vendors and crowds of onlookers. We had 12 members at the Eaglewood show parked on our high knoll overlooking the crowds.

Chairman's Letter con't...

The weather theme continued with our traditional summer BBQ Corvette Car show. We opted to move our BBQ a couple of weeks later in the summer so that the evening would not be quite so hot. We achieved that goal. However, the weather was once again iffy. Rain dominated the early part of the day and when it seemed like we might have to delay the event, Corey made a good call to stay the course and have the event anyway. It proved to be the right call. We had intermittent drizzle in the evening, but Corey moved several of his Corvettes out for the show and we had tables in his garage out of the weather. It also turned out to be one of our best attended events of the year, with 25 members, their spouses, or guests we had 46 people in attendance. This event is also our traditional fund raiser for our club's charity. We chose to support the American Cancer Society. We passed the hat and collected \$503.00. A big thank you to our members for your charitable support.

As we roll into the fourth quarter of 2019, we have several items for your consideration. November's meeting will bring election of officers for 2020. This is a traditional pizza night, so come on out, enjoy some pizza, and be involved with the operation of the club. We will also have some judging events during this time, with perhaps a road trip to Idaho to judge a marvelous Corvette. Keep this trip in mind. We have a couple of other options for cars to be considered for judging. These events are always worth your time, as you learn so much about these cars. Even the "seasoned" Corvette judges learn from each judging session. Those that are new to the judging experience don't be timid about getting involved with a judging event, you will learn a lot and enjoy the experience.

(con't Pg. 3)

Chairman's Letter con't...

We will try to squeeze in another cruise, or car show before the cars are put to rest for the winter. This will likely be a spur of the moment event to take advantage of a favorable autumn day. We will try to plan some interesting tech sessions, which are always enjoyed by the group. (If you have a suggestion for a tech session, or you have a restoration question, please bring it up and we will try to include your suggestion at a meeting.) We will do some planning for next year's car show and cruising season, so that we have some of our club sponsored events scheduled. Finally, we will have our traditional Christmas dinner, get together in December which is always a memorable event. Scott and Cindy Hatch have extended their hospitality again this year and offered us the City Creek Commons, which is a marvelous holiday venue.

A big thank you to all of our members that support this club and keep this association interesting and enjoyable. I appreciate the camaraderie and knowledge that you all bring to the group.

Remember to wave,

Alan Rohlfing

Festival of Speed Car Show

Bonneville Chapter Newsletter – Qtr 3, 2019 – Page 6

The Festival of Speed is held in early July at the Eaglewood Golf Course just north of Salt Lake City. The cars are located on the course and around the greens. There were over 670 cars plus vendors, plus police and firefighter exhibits. Drones were flying and the setting was beautiful.

This is our second year at the event and we had 12 members showing this year. We have a preferred location on a high knoll just off the main show road. And we got a lot of traffic.

The show continues to grow each year and we are becoming one of the highlights of the event.

Summer BBQ and Car Show

Bonneville Chapter Newsletter – Qtr 3, 2019 – Page 10

Our annual event, the summer barbecue, car show that we have held at Corey and Jan's home was as usual, a great event. This year we decided to hold the event a couple of weeks later in the summer in order to have a bit of cooler weather to enjoy the evening.

Summer BBQ and Car Show

Bonneville Chapter Newsletter – Qtr 3, 2019 – Page 11

Well, cooler it was indeed. The weather changed for the worse during the day and the weather forecast was for continued rain, with a possibility of some break in the weather later in the day

I checked in with Corey in the early in the afternoon to see if we should delay the event or proceed. Corey said "let's go forward as planned." I sent out a reminder to the group that we were going to proceed as planned so bring side dishes and come and enjoy the evening.

Summer BBQ and Car Show

Bonneville Chapter Newsletter – Qtr 3, 2019 – Page 12

I wasn't sure how the event would turn out, but we ended up with one of our better attended events with 25 of our members attending. Adding their spouses and guests, we ended up with 46 people. 9 brave souls brought their Corvette's to be displayed with Corey's addition of 7 Corvettes. Corey's Corvette show was a pretty nice sight on a dreary day.

Summer BBQ and Car Show

Bonneville Chapter Newsletter – Qtr 3, 2019 – Page 13

Corey opened up his garage with the space he created by moving his 7 Corvettes outside and we had tables to sit at to avoid the summer drizzle. The ambiance was marvelous, a true car show feel. Surrounded by cars and tools and scents. Additional seating under Corey's trees and on the patio provided everyone some protection from the drizzle.

The club provided the hamburgers and hot dogs and everyone brought a side dish. We were pretty well diversified with our side dishes this year and we had plenty of drinks, chips, salads, fruits, and deserts. I believe everyone was well fed and pleasantly sated. barbecue.

A BIG thank you to Jan and Corey for extending their hospitality to the group and providing such a great venue for our summer barbecue.

Bonneville Charity Fund Raiser

Bonneville Chapter Newsletter – Qtr 3, 2019 – Page 18

This event is our fund raiser for our Chapter charitable event. We decided to support the American Cancer Society, as this horrible disease has affected so many of our members. We “passed the hat,” (quite literally) and collected \$503.00 for The American Cancer Society. A big thank you to our group for this support.

NCRS Chapter Award Program Quarterly Reporting Form

Chapter Name: Bonneville Chapter State: UT

Reporting Quarter 1 2 **3** 4 Number of members on Feb. 1, 29
(Check One) ○○○● (see definition)

Contact Name: Alan Rohlfing Phone # 801-298-1808
e-mail address: imavette2@yahoo.com

Required Activities

Check requirements completed.

1. Host one Chapter Judging Meet – Date of event: _____
2. Conduct one technical seminar. – Date of event: _____
3. Conduct one judging school. – Date of event: _____
4. Conduct one membership meeting – Date of event: Aug 6, Sept 10
5. Conduct one stand alone chapter charitable event. – Date of event: Sept 10
6. Conduct one chapter road tour. – Date of event: _____
7. Conduct one chapter social event – Date of event: Sept 10
